DETAILED ACTION

The Information Disclosure Statement

The prior art cited in the information disclosure statement filed on February 11, 2005 has been considered.

Allowable Subject Matter

Claims 1-16 are allowed over the prior art of record.

Examiner's Statement of Reasons for Allowance

The following is an examiner's statement of reasons for allowance:

The provisional double patenting rejection of the claims, Paper No. 0105, has been withdrawn because application Serial No. 10/609,817 has been abandoned. See the response filed on April 8, 2005.

As to claim 1, the prior art of record taken alone or in combination, fails to disclose or render obvious a measurement device for exciting constituent particles of a material to be measured through the use of an electric arc and for detecting the intensity of optical radiation emitted by excited constituent particles comprising components having the characteristics set forth in lines 17-27, in combination with the rest of the limitations of the claim .

As to claim 12, the prior art of record, taken alone or in combination, fails to disclose or render obvious a method of characterizing the composition of a material to be measured comprising the claimed steps of allowing and keeping, in combination with the rest of the limitations of the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
